Grace

Hello everyone! My name is Grace, and I am so excited for Camp Wenonah this summer! I have worked at the Winona Family YMCA since May 2023 in several departments. You may recognize me as a youth sports coach, group fitness instructor, after school care counselor, dance instructor, all-inclusive counselor, and part of the amazing Camp Wenonah family! I recently graduated from Winona State University with my bachelors in Exercise Science and am currently working on my Masters in Athletic Training. Some fun facts about me include that I LOVE SUMMER! I plan to move somewhere warm after graduating. I love to be outside, hike, be at my cabin, water ski, kneeboard, boat, hammock, outdoor walks, and anything that involves physical activity! I also have a puppy named Riffley (in the picture with me) who I love and adore! I can't wait to meet everyone and get to know you!

Collin

Hello! My name is Collin, and I can't wait for Camp Wenonah and to be able to meet everyone! I have worked at the Winona Family YMCA as an after-school care counselor and youth sports coach since September 2023. I am a current student at Winona State and will be student teaching this upcoming fall. My majors are Health Education and Physical Education with a minor in Adaptive Physical Education. Once my schooling is all complete, I want to move somewhere warm and teach health and physical education in a middle school setting. This is my second summer working at Camp Wenonah and I couldn't be more excited! Some fun things about me are that I love summertime, grilling, listening to music, hanging out with friends, and staying active any way I can! I am super excited for this summer and can't wait to meet everyone.

Matthew

Hello, my name is Matthew, and I'm super excited to have some fun outside at Camp Wenonah this summer! I'm currently a student at Winona State University majoring in movement science with a minor in nutrition. I'm set to graduate in May 2026 and commission in the Minnesota Army National Guard as a 2nd lieutenant as well. I started at the YMCA as a youth sports coach last fall, and have coached flag football, basketball, soccer, and volleyball. I love to get outside anytime I can in the summer. Some of my favorite activities are basketball, hiking, and camping! Joining me in the picture is my puppy Summit... he got a little tired on the hike.
